3. SERVICE & COMMERCIAL TERMS

Sr.	Terms & Conditions
1	Rates are applicable for standard transportation and normal commercial cargo unless specifically agreed otherwise.
2	Chargeable weight shall be actual weight or volumetric weight, whichever is higher, wherever applicable.
3	ROV / Owner Risk shall be charged at 0.10% of the declared invoice value, subject to a minimum of ■25 per LR, unless a different rate is mutually agreed.
4	Owner-risk consignments are accepted subject to the terms and conditions printed on the reverse of the LR / Consignor Copy.
5	COD, FOD, ODA, special handling and other value-added services will be charged as applicable and as stated in this quotation.
6	ODA / remote-area charges may vary according to the exact delivery location and will be advised wherever applicable.
7	Loading, unloading, hamali, detention, storage and other destination-specific expenses shall be charged wherever applicable unless expressly included in the agreed freight.
8	Transit time is indicative and excludes Sundays, public holidays, force majeure, traffic restrictions, natural events and other circumstances beyond the carrier's reasonable control.
9	GST and other statutory taxes / levies shall be charged extra as applicable.
10	The quotation is valid for 30 days from the date of issue unless otherwise stated. Rates may be reviewed if there is a significant change in operating costs, tolls or statutory charges.
11	Payment terms: as mutually agreed. Overdue amounts may be subject to applicable commercial / statutory charges.
12	Any special commodity, hazardous material, fragile cargo or high-value shipment requires prior written acceptance.

4. ACCEPTANCE

We thank you for the opportunity to serve your transportation requirements. The above rates and terms are submitted for your kind consideration and approval. Upon acceptance, the agreed rates will be incorporated into the applicable LR / billing process.
